Our Mission

The Japan America Society of Greater Cincinnati (JASGC) is a 501(c)(3) non-profit organization created to promote a better understanding and cultural awareness between the people of Japan and the residents of the Cincinnati Region. The JASGC strives to foster new business, social and cultural connections between the citizens, companies and governments of Japan and Greater Cincinnati, leading to a more productive, stable, and enriched relationship between our two countries.

Our Programs & Services

A diverse range of business, cultural, social and educational programs enables the Society to enrich the personal and professional lives of our members and the local community. Annual events include our Shinnenkai, Japan Update Symposium, Golf Outing, Gala Dinner, and Bonenkai. We also host “JASCG Members & Friends Happy Hours” every other month. In addition, through our Cultural Ambassadors Program, we provide 20 + cultural programs in schools and libraries each year.
