

JASGC 30th Anniversary Gala Dinner & Fundraiser Table Captain Information

- A Table Captain is a special supporter who agrees to sponsor a table by registering for the full table upfront (\$1,200/8 tickets). This is a special contribution that involves not only financial support, but assistance in the form of community outreach and event hosting; Table Captains would invite guests to attend the Gala and join them at their special table. JASGC Trustees and other key supporters are encouraged to become Table Captains.
- Table Captains will have their names on the website, program materials, and on a designated table with the option of including their organization's name. They will also have a special ribbon displayed on their name tag.
- For those unable to commit to the Table Captain responsibility by themselves, we are offering a Co-Captain option whereby two individuals agree to sponsor a full table jointly. In this case, both names would appear on the table.
- Table Captains can invite guests to buy a ticket at the member price (\$150) and write the Table Captain's name in the designated space at the bottom of the online registration form.
- The JASGC is a 501(c)(3) non-profit organization. The tax-deductible amount will be determined by the fair market value of the benefits received.
- Please respond by August 31 in order to have your name included in the event program as a Table Captain and provide guests' names and meal selections by September 7. (See our website for menu details).
- Contact Anne Golden (agolden@cincinnatiachamber.com/513-579-3150) for more information, or register as a Table Captain online <http://jasgc.org/event-2879156>.

*Tables at the Kenwood Country Club normally accommodate 8 people, with the option of adding up to two more seats (additional \$150/ticket).
